

## iHola!

Dear Parents,

First of all, I hope everyone had a great summer and that this first week, or for some, second week of school, has gone off without a hitch! This is an important time for all of our kids and I want you to know that they have been in my prayers! I missed many of your children during your vacations, summer camps, or just times away, but am looking forward to full classes once again!

Even though we were on summer break from school, the learning was still booming this summer at Arise Kids. We've learned about many great new Bible characters and the kids have also started memorizing the books of the Bible. So far they've learned from Genesis through Esther. I encourage you to practice with them at home.

Pastor Sammy mentioned the need for more teachers in kid's ministry, and I continue to have this need. Although I had several people show interest as aides, we need more teachers. Please help me pray that members of our church will answer God's call. I thank you for bringing your kids to church and hope that these stories and activities will impact their little hearts and lead them to love Jesus for a lifetime.

May God bless you and your children!

In Christ's Love,

*Maria*

## Class & Church Rules

Please help us teach your child(ren) how to conduct themselves in church and class.

1. Listen, obey and participate in class.
2. Treat your friends and teachers with love and respect.
3. Wait to be picked up by a parent.
4. Do not run on the stage or inside the building.
5. Respect property.
6. Do not go outside without an adult.

## Donations

Our ministry is always looking for "school" items, so if you see any good "back-to-school" sales, think of us. Some items we can never have enough of are:

- Construction Paper
- Colored Pencils
- Foam Paper
- Cardstock Copy Paper

Other Items we always need are snacks, such as:

- Crackers
- Cookies (no nuts)
- Bottles of Juice
